

Richard's Fund – Update – 1-28-2010

Overwhelming generosity and support to this Family before, during, and even after the 'raffle' Augie Lopedota orchestrated; came from near and far and was extremely heartwarming to witness. Together ALL made a BIG difference to this Family. In fact because funds are still coming in and the need has not really gone away; the Richard's Fund account has been kept open at the Credit Union. For those interested, contributions can still be made there. Should you need more information the number there is 860-763-3591. To conclude, on behalf of the Richard's Family and from Augie as well; we say, *"thank you so very much"* for coming to and answering Tim's Code Orange call.
