Dear Mr. Sokolowski:

Thank you for your generous donation of \$250.00 that was used towards our much needed center island for our kitchen.

We are so thrilled that you selected our program as a recipient of this donation. We cannot express our gratitude to you for thinking of our clients.

Your kind consideration does so much for the elders in the community, and for this, we sincerely thank you.

Donations such as yours make the Adult Day Center the special place that it is.

We appreciate your generosity very much.

Sincerely,

Paula Vaisekauskas, RN, BSN
