Dear Mr. Zuccalo:

I am writing on behalf of the Somers Cooperative Preschool Association to express our sincere appreciation for your gracious contribution to our program for educational supplies. The children absolutely love the flip drums the best. They love trying to see which one can make the loudest sound. With Father's Day approaching, the poster set of Fatherhood will be a wonderful addition to our classroom. The books and other craft items will enhance our curriculum.

Thank you again for your generosity and support for our school.

Sincerely,

Caroline J. Hojnowski
Secretary
