

Local 391's Membership Survey

To all Local 391 Members, we your current E-Board would like to take this opportunity to ask you a few questions and gain your input about this year's upcoming union events.

As most of you know the 2007 Holiday party was canceled due to lack of ticket sales. The Children' Holiday party was also canceled for the same reason.

The Local 391 Retirement Party/Summer Bash on the other hand was another great success with over 700 of our members enjoying good food & drink with friends and family and wishing our retiring Brothers and Sisters the best of luck in what we hope will be a long and healthy well deserved, relaxing life.

With this said, we would like you take a few moments to fill out the questions below so we can determine the best way to proceed with the 2008 Local 391 union events.

- 1- Are you interested in attending a 2008 Holiday Party? _____
- 2- Are you interested in attending a 2008 Children's Holiday Party? _____
- 3- Do you like the Retirement party/Summer Bash combo or would you like to see them separated like they used to be? _____
- 4- Have ticket prices been an issue? _____
- 5- What ideas do you have for the Staff on Correction Employee Week?
- 6- Suggestions :

Let your voice be heard. Remember you *are* the Union and you do have a say.

Thank you for your input.
