

LEGISLATIVE ACTION ALERT - JUNE 15, 2005

TELL GOV. RELL AND YOUR STATE REPS: **PROTECT 100% HAZARDOUS DUTY** **WORKERS' COMP BENEFITS**

The fine print of Gov. Rell's budget contains language that will cut **100% hazardous duty workers' compensation wage replacement benefits**. We must stop this benefit cut from being implemented by the General Assembly.

Call Gov. Rell and legislative leadership **IMMEDIATELY** and urge them to **PROTECT** 100% hazardous duty workers' compensation wage replacement benefits. Make your message short and polite:

"Please protect 100% hazardous duty workers' compensation wage replacement. Every day we go to work and put our safety and our lives on the line to protect the people of Connecticut. Please help protect us."

MAKE YOUR CALLS RIGHT AWAY – **THE GENERAL ASSEMBLY MEETS NEXT WEEK TO VOTE** **ON THE IMPLEMENTATION OF THE BUDGET**

- Governor Rell: (860) 566-4840; or (800) 406-1527
- Senate President Don Williams: (800) 842-1420
- Speaker of the House Jim Amman: (800) 842-8267
