RE: "Scope Agreement"

Dear Brother Livingston:

I received your April 29, 2005 correspondence to Governor Rell regarding the July 2005 committee to review pay equity (Enclosed) and I inquire if a committee has indeed been established. I would also like to know if there is any information I can pass onto my members as I have been fielding questions regarding this issue and I do not have the answers. Thank you for your attention in this matter.

In Solidarity,
